

# Arron Brown

## For Division I Vice President

Alpha Pi Chi, Eastern Shore Community College, Melfa VA

Hello, my name is Arron Brown, I am from the Eastern Shore of Virginia and currently go to Eastern Shore Community College Furthermore, I am also Vice President of the Alpha Pi Chi Chapter at ESCC.

I have lived on the Eastern Shore my entire life and am very fortunate to have an amazing supportive family that has pushed me to strive as a student and focus on my studies. I am in my 3rd year at ESCC and have graduated with an Associates in General Studies and currently working towards another degree for Computer Technician. I joined the Alpha Pi Chi Chapter of Phi Theta Kappa Honor Society in October 2024. Since joining PTK I have been able to meet other great people, scholars, and leaders. This has allowed me to grow as a person and become a leader that has allowed me to apply for International Office.

## Fun Facts About Me:

Here are some fun facts about me. I have been a NASCAR fan since I was a child and I still love it to this day. In 2022 NASCAR announced and hosted the first season of the eNASCAR College iRacing Series hosted by iRacing. Becoming an iRacing member and a long time NASCAR fan, I was presented an opportunity to race with other colleges when I enrolled at ESCC in 2023 to attempt to make the series. I succeeded and have been a eNASCAR College iRacing Series driver representing ESCC since Fall 2023.

## Community Service:

On the Eastern Shore I serve my community every summer at the Chincoteague Volunteer Fireman's Carnival. This past year I was happy to be a part of their record breaking year of fundraising for the fire department with the Local Carnival, Pony Swim and Auction. Furthermore, volunteering for the carnival is something I look forward to every year.

Other events I have given my service for were the Play All Day event within Eastern Shore Community where I've helped promote ESCC and our Chess Club at the college. I have also helped work with our Career Services Department with their Career Adventure Day helping our high schoolers find their Career Paths.

Along with my fellow PTK Alpha Pi Chi members at ESCC I volunteer with events for ESCC. Our biggest event of the year is the ESCC Foundation's Oyster Roast. We also help in events around campus like the Winter Arts Festival, ESCC Block party, and Club day. Where we fundraise and promote PTK.
