**LEADERSHIP: I started my PTK journey as the PTK-AEZ Chapter President. Then I campaigned for the State of Delaware Regional Officer, which is the position I currently hold. My goal is to help chapters thrive and support their needs, so I can spread the word about Phi Theta Kappa and recruit and inspire other members.**

**SCHOLARSHIP:** Academic achievement is the foundation of everything we do. I have enjoyed helping with Scholar Dash , HIA and College projects. I aim to help with Scholar Dash, improve HIA and College Project understanding, and motive members in all regions.

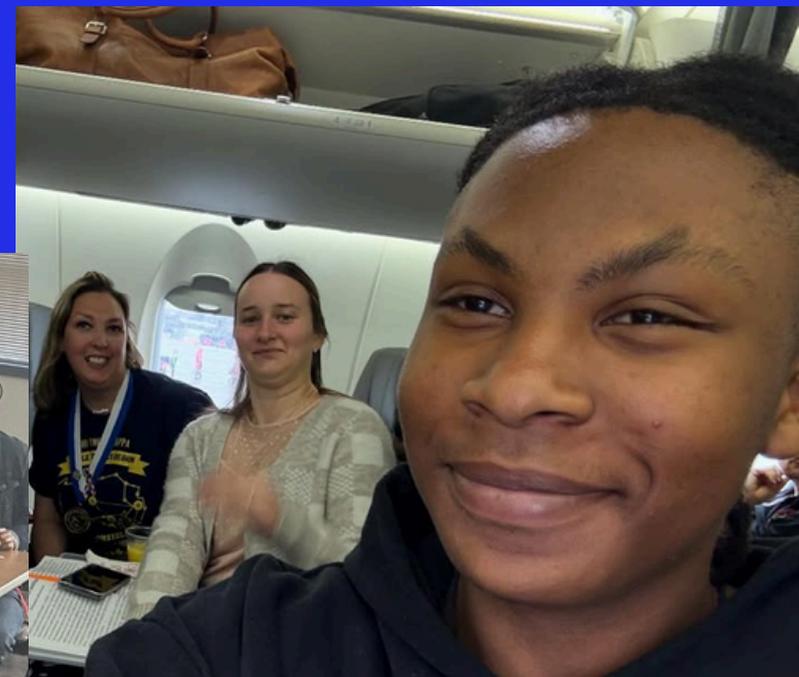

**CC SMART  
SUPERHEROES  
SAVING THEIR  
FUTURE**

**SERVICE:** I am an active member in my chapter and in my region. I am an active participant in many events and webinars in my region, from my chapter's Honors in Action and College Project to the region's Scholar Dash and Golden Gatherings. I recognize the need for helping others on campus, my community, and across the region. I want to spread the joy I have for PTK throughout the nation.

**FELLOWSHIP:** I have spoken at regional inductions, visited chapters for events, and attended meetings to better serve the needs of not only our Delaware chapters but those in the MSR region and across PTK. I have helped plan and execute our regional Summer Institute and Regional Conference where I continue to get to know more member and what they need to be successful. This is my favorite hallmark because the friendships and support I have now will follow me throughout my life.

**PTK IS MY FOUND FAMILY. THEY  
LOVE AND SUPPORT ME, AND I  
WANT TO SHARE THAT WITH  
EVERYONE I MEET.**
