

PTK CANDIDATE QUESTIONNAIRE

Candidate for:

Division I Vice President

1) Your Name:

Syed Muhammad Minhal Abbas Rizvi

2) What is your college major?

Computer Science

3) What is your ultimate career goal?

To become a technology leader and product manager who builds ethical, human-centered AI solutions that empower people and improve how organizations operate.

4) What was your primary reason for accepting PTK membership?

To be part of a global community that values academic excellence, leadership, and service.

5) What's your go-to "fun fact" during an icebreaker?

Before turning 20, I built and ran three successful companies that are still operating through automated systems, and I've traveled across the U.S. attending leadership conferences.

6) If you could thank your past self for one decision, what would it be?

For choosing discipline and entrepreneurship early instead of comfort.

7) What's a small, everyday thing that brings you joy?

Seeing people happy and smiling. I love feeling their positive vibe and enjoying the moment with them.

8) If you could instantly master a random skill, what would it be and why?

Public speaking in multiple languages so I can connect with people from different cultures around the world.

9) What's your go-to hype song when you want to feel unstoppable?

I don't usually listen to music, but when I'm in the mood, I enjoy Pakistani rap.

10) What's your favorite way to recharge when you're running on empty?

Sitting by a river or a lake and giving myself quiet time to reflect, recover, and reset.

11) What's your favorite tradition – family, personal, or something you invented?

Every year on my birthday, I give gifts to my friends and family as a way to thank them for their support and love.
