Your Name: Gavyn Toepp

1. What is your college major?

Computer Science!

2. What is your ultimate career goal?

My ultimate career goal is to work as a computer hardware engineer and better the world with it!

3. What was your primary reason for accepting PTK membership?

My primary reason for joining Phi Theta Kappa was definitely the connections that come with it, who'd want to miss out on meeting the world's brightest?

4. What's your go-to "fun fact" during an icebreaker?

I've melted a cake before! Not just undercooking batter, but full on melting!

5. If you could thank your past self for one decision, what would it be?

It would definitely be attending my college MVCC, the people I've met here make every decision worth it!

6. What's a small, everyday thing that brings you joy?

Getting to just have a laugh with people I work with that I can call friends is probably the highlight of my day any day of the week!

7. If you could instantly master a random skill (tightrope walking, speaking fluent whale), what would it be and why?

If I could master ANY skill, it'd definitely be ice skating! My chapter loves going to watch hockey games so getting on the ice myself would be great!

8. What's your go-to hype song when you want to feel unstoppable?

Eminem - Soldier

9. What's your favorite way to recharge when you're running on empty?

If I'm ever feeling down, I love just sitting down for twenty minutes and watching a comedy routine!

10. What's your favorite tradition – family, personal, or something you invented?

Every Christmas me and my sister like to put our parents gifts in the most elaborately crafted sealed boxes and watch them work to open them! (I bought a safe this year!)
