### Your Name: Loretta Harris

1. What is your college major? Sociology and History
2. What is your ultimate career goal? Librarian in an academic setting
3. What was your primary reason for accepting PTK membership? I accepted the PTK membership because it showed me that I do have the capability to achieve great things when I was previously told I couldn't.
4. What's your go-to "fun fact" during an icebreaker? My "super-great" grandfathers and grandmothers were the kings and queens of Scotland and Viking rulers.
5. If you could thank your past self for one decision, what would it be? I would thank myself for taking the chance to improve myself not just through academics, but through personal journeys as well.
6. What's a small, everyday thing that brings you joy? My kids! My sons know just how to make me smile and laugh, and my daughter gives me the best hugs that are healing. I also take a couple of minutes at the end of my day to write down just one thing that made me happy that day. I look back at it to see all my joy when I'm having a rough time.
7. If you could instantly master a random skill (tightrope walking, speaking fluent whale), what would it be and why? I would love to be able to fold a fitted sheet without any wrinkles instead of folding it into a ball because I need more room in my closet for more stuff.
8. What's your go-to hype song when you want to feel unstoppable? "Fighter" by Christina Aguilera
9. What's your favorite way to recharge when you're running on empty? Definitely a good nap with either my comfort movie of the moment in the background or brown noise playing through Spotify. If that's not an option, then drinking a cold cherry Pepsi will help, too
10. What's your favorite tradition – family, personal, or something you invented? My family and I love to look at Christmas lights while drinking hot chocolate or coffee.
