

ANDREA PIZARRO INTERNATIONAL PRESIDENT

LET'S MAKE PTK MOVE!

I believe leadership like dance, is about reading patterns, feeling your people, and stepping forward with intention.

Hello, my name is Andrea Pizarro. Dance has been my guiding thread since I was five. Growing up in Peru, I learned that dancing is more than art, its identity, discipline, and connection. When I immigrated to the United States, dance became my first language.

As an immigrant and ESL student, every step has taught me resilience and leadership. These values led me to Phi Theta Kappa.

I am running for International President because PTK, like dance, unites diverse stories on a single stage.
