About Me

Since the day I was born, my life has been a living testimony. I entered this world without the stability of either parent, my father passed away when I was five, and my mother's struggle with addiction prevented her from raising me. Raised by my aunt and separated from my siblings, I grew up as the fourth of thirteen children, learning resilience, faith, and perseverance long before most children are asked to.

After graduating high school, I took a leap of faith and moved to Fort Lauderdale, Florida, where I attended The Art Institute for Fashion & Design. In my mid-twenties, I became a single mother of three amazing children Javen, Nevaj, and Vanje and relocated to Charlotte, North Carolina.

During that season, I faced housing instability and profound uncertainty, which led me to the YWCA Families Together transitional housing program. Through that experience, I gained the tools, confidence, and support needed to rebuild my life and create lasting stability for my family.

Today, I live in Cary, North Carolina and I am pursuing a dual degree in Business Administration and Accounting & Finance at Central Carolina Community College, where I proudly serve as Treasurer of the Beta Sigma Phi Chapter of Phi Theta Kappa. I am a four-time scholarship recipient, having earned the PTK Coca-Cola Leaders of Promise Scholarship, Rouse & Blalock Friendship Scholarship, Avron & Mary Upchurch Scholarship, and the Moss Boys Foundation Scholarship. In May 2025, I also earned an Entrepreneurship Certificate from Central Carolina Community College in Sanford, North Carolina.

Beyond academics, I am a Certified Life Coach, Commissioned Notary, NNA Signing Agent, entrepreneur, and community advocate. I am the founder and CEO of multiple ventures, including Dominique Inspire Motivation Services & Outreach, LLC, Dominique Inspire Boutique, Prestige Global Legacy, LLC, and the nonprofit See My Light Youth Resource Center, Inc., and I operate See My Light Childcare as a Licensed Home Child Care provider. I am also a proud member of the Morrisville Chamber of Commerce.

My journey is proof
that we do not have
to become products
of our environment.

Through faith,
resilience, and a
commitment to
breaking generational
cycles, it is possible to
create a new story
one rooted in
purpose, service, and
hope.
