Candidate Questionnaire: Getting to Know You

Please complete this questionnaire. Answers should be brief.
Responses will appear unedited on Phi Theta Kappa's Catalyst website.

Candidate for (highlight ONE):

- International President
- Division I Vice President
- Division II Vice President
- Division III Vice President
- Division IV Vice President

Your Name: Dominique Small

1. **What is your college major?**
Dual degree in Business Administration and Accounting & Finance.
2. **What is your ultimate career goal?**
To become a Certified Public Accountant and operate my own multiple businesses.
3. **What was your primary reason for accepting PTK membership?**
To connect with driven peers, access valuable resources, and challenge myself to grow academically and professionally.
4. **What's your go-to "fun fact" during an icebreaker?**
I love long trail walks and exploring nature, and I often take short trips to the coast of North Carolina to enjoy the beaches and lakes.
5. **If you could thank your past self for one decision, what would it be?**
I would thank my past self for never giving up on pursuing my dual degree, no matter how many curveballs came my way, laying a strong foundation for my career and entrepreneurial goals.
6. **What's a small, everyday thing that brings you joy?**
Morning coffee while watching the water or taking a quiet walk outside.
7. **If you could instantly master a random skill (tightrope walking, speaking fluent whale), what would it be and why?**
Painting, so I could express my creativity and relax at the same time.
8. **What's your go-to hype song when you want to feel unstoppable?**
"All I Do Is Win" – DJ Khaled
9. **What's your favorite way to recharge when you're running on empty?**
Spending time outdoors, on a trail walk or by the water, to clear my mind and recharge my energy.
10. **What's your favorite tradition – family, personal, or something you invented?**
My favorite tradition is taking my children on at least two beach trips or family vacations each year during the spring and summer.
