Every action we take or choose not to take will create ripples in the lives of those around us. When we are purposeful in those actions and in our impact, we stand a better chance of having a positive change on the world.

The PTK Pillars and Ripples of Change

Make an intentional ripple with me.

SCHOLARSHIP - Succeed and strive for greatness; in showing what is possible we motivate those around us to be their best selves.

LEADERSHIP - Seek out the seeds of leadership in others; water and encourage their growth so that they can become gardeners of leadership themselves.

FELLOWSHIP - Nurture the relationships in your life; your inner circle is your first ripple and will set the tone for those that follow.

SERVICE - Give freely of yourself; genuine acts of kindness create the largest ripples.
